

The Most Popular Overland

There is an enormous demand for this big four cylinder Overland.

With certain improvements, it is the same car of which 55,000 Overlands were sold last season for \$750 f. o. b. Toledo, Ohio.

The price is \$55 less.

Standardization of product and the purchase of raw materials at before-the-war prices, made this reduction in price possible.

It will not be lower, for materials are rising in price.

So get your Overland now while I have them in stock.
